

REPAIR CAFE

Saturday,
April 20th

- 11 a.m. Recycling Presentation and Q&A, featuring **Kristin Welch**
- 12-2 pm. Repair Cafe
- **Location:** Hamilton Public Library
- *Vegetarian lunch provided!*

Recycling 101:

Join Recycling Coordinator **Kristin Welch** for a conversation about the do's and don'ts of recycling. Come learn about what happens to your recyclables once they leave your house, some special programs for hard to recycle materials and how you can rethink waste at home!

WHAT IS A REPAIR CAFE??

A global movement to reduce waste and build skills and community. Bring in an item that needs fixing and have it repaired, while you learn repair skills from a community fixer. Bring bikes, clothes, and small furniture!

Scan here to register or inquire about an item here!
(Registration is encouraged, but walk-ins welcome!)

Recycle and Repair Cafe

Brought to you by:
The Hamilton Climate Preparedness Working Group &
The Colgate Office of Sustainability
